

FAMILY CONNECTIONS

A Parent Support Group for parents and children experiencing challenging behaviours.

Are you experiencing a child with challenging behaviours?

We are hosting parent support groups for families with children between 0-12 years of age living in Camden, Campbelltown and Wollondilly area.

It is an opportunity to share and build on knowledge and information around parenting and managing challenges.

Groups run during school term only. Children are welcome. For more information please call Disability Macarthur on 9603 7011 or familycare@disabilitymacarthur.org.au
